

## REMARKS

Claims 1-4, 12-15, 20, and 22 have been amended to correct various grammatical and antecedent informalities. These amendments do not materially alter the scope of the claims and support for these amendments is found in the specification as originally filed. Should the Examiner deem that any further action by the Applicant would be desirable for placing this application in even better condition for issue, a call to the Applicant's representative listed below is requested.

The Commissioner is hereby authorized to charge any fees which may be required, or credit any overpayment, to Deposit Account Number 50-3797.

Respectfully submitted,

/Ryan S. Davidson/
